AN INTRODUCTION

At Kronenberger Rosenfeld, we believe we're stronger when we work together, and one way we strengthen relationships with our clients is through client referrals.

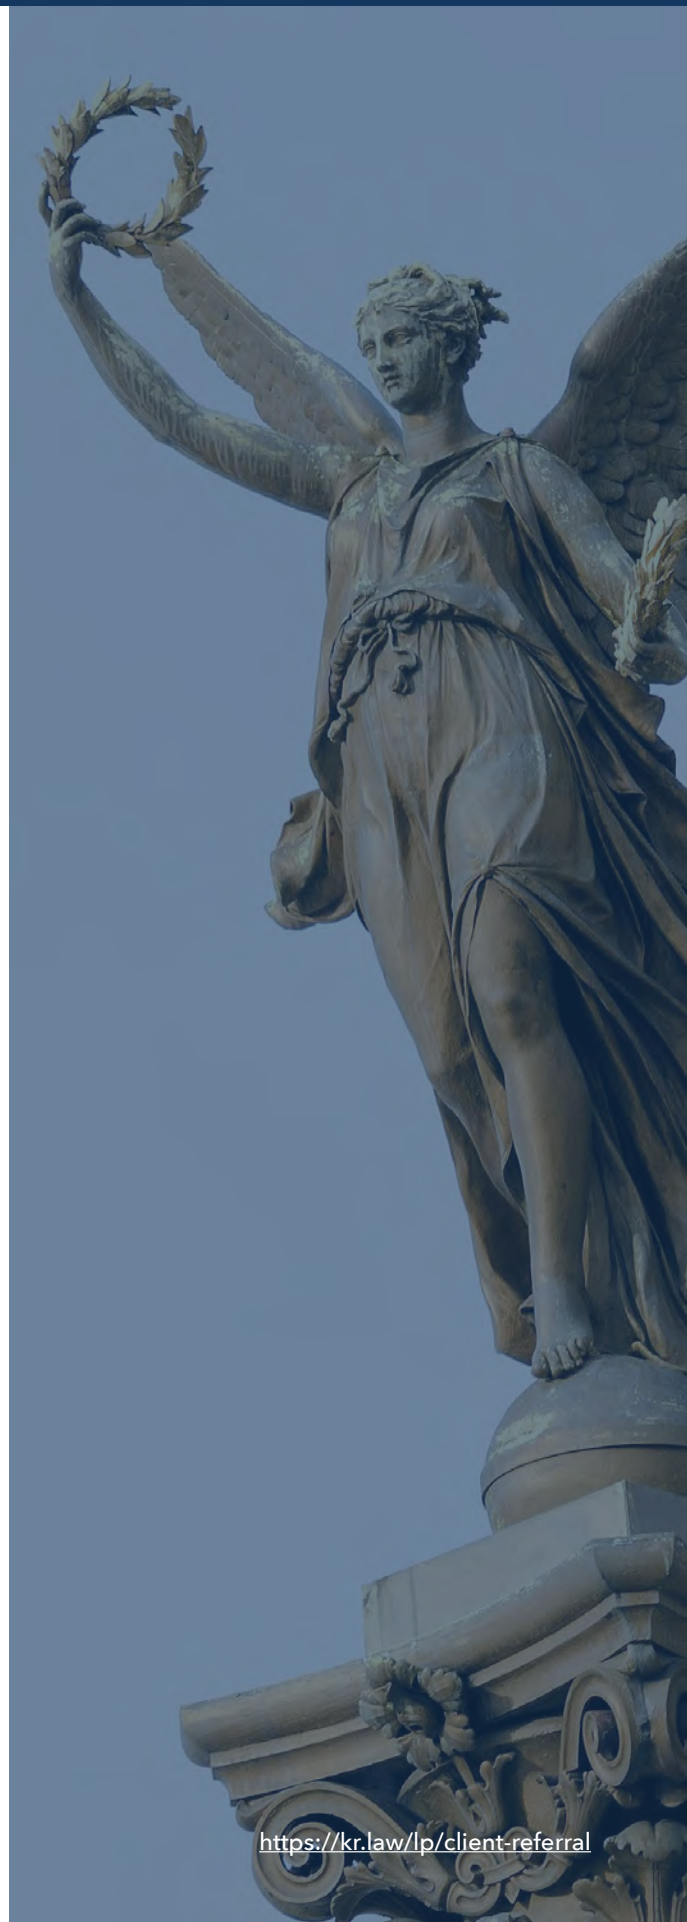

If you've referred clients to us before, thank you. If not, here are some reasons to consider it.

WHY REFER TO US?

- Extensive Expertise in Internet, Technology, and Digital Media Law
- Commitment to Excellence
- Client Satisfaction
- Proven Track Record

We understand the territory, speak the language, and develop long-lived, high-trust relationships with our clients in all internet, technology, and digital media matters. Our attorneys are relentless advocates who fight tenaciously on our client's behalf.

Simply put, there's no one with more experience and success in these areas than Kronenberger Rosenfeld.

OUR TRACK RECORD

- Secured a complete dismissal of a class action complaint for a major game developer.
- Obtained the first decision by a court applying the Electronic Funds Transfer Act to cryptocurrency exchanges.
- Achieved many settlements and recovered cryptocurrency for clients who had losses due to criminal actors.
- Acquired the first civil verdict for a revenge porn case in California.
- Regularly score wins for clients in both prosecuting and defending anti-SLAPP motions.
- Offer top-notch trademark strategy advice and we are adept at dealing with infringers.

CONNECT WITH US

- Kronenberger Rosenfeld serves clients nationwide, with licensed attorneys practicing and located in a variety of states.
- We have litigated in state and federal courts across the country.
- Our headquarters in San Francisco places us at the nexus of technology and law.

If your referral is a good match for our firm, we'll take it from there. All referrals are promptly and personally reviewed by multiple team members, and we dedicate the same time examining a referral as a normal case submission, so we can truly understand the best way to help.

That's It!

We understand that sending your friends and clients to us is an act of trust, and we are committed to honoring and appreciating that responsibility. Beyond the benefit your client receives from working with us, we are open to referral fees in cases where they are appropriate and permitted by ethical rules.
